

The Village of Fairmont is seeking a dependable, hardworking individual to join our maintenance department. This position will be responsible for a variety of general maintenance, equipment operation, streets, water/sewer, and other municipal duties.

This position offers an opportunity for advancement into the Village Maintenance Supervisor position. The selected candidate will be expected to learn the Village's operations, equipment, facilities and procedures and progressively take on additional responsibility with the goal of assuming a supervisory role.

The Village intends for this position to develop into the Maintenance Supervisor role. Advancement will be based on performance, experience, knowledge of Village operations, leadership ability, and successful completion of any required certifications.

The Village of Fairmont offers an excellent benefits package. Pay will be based on experience and qualifications.

Interested applicants may submit a resume and application to Village Hall from 8:00 am to 5:00, email fairmontnebraska@gmail.com, or contact Mike Scheil, Utility Superintendent, at 402-759-0466.

Position will be open until filled.
