Snow ordinance reminder...

With the winter months upon us, it's a good time to update residents about snow ordinances in Fairmont. Ordinance 6-30 states that it shall be unlawful for the occupant of any lot or lots within the corporate limits to allow snow, sleet, mud, ice or other substance to accumulate on the sidewalks or to permit any snow, sleet, ice, or other substance to remain upon said sidewalk. All sidewalks within the business district shall be cleaned within five (5) hours after the cessation of a storm, unless the storm or fall of snow shall have taken place during night, in which case the sidewalks shall be cleaned before eight thirty o'clock (8:30) a.m. the following day; provided, sidewalks within the residential areas of the Municipality shall be cleaned within twenty-four (24) hours after the cessation of the storm.

Also, if you know it will snow during the night, please do not have your cars parked on the streets as the plows will be out early in the morning. If you do park on the street during a snow storm your vehicle will have the possibility of being blocked in by the snow plows.

Sewer Rate Adjustment Reminder

A friendly reminder that annual sewer rates will be calculated in April and it will be based on water usage during **January, February and March**. If you have any questions, feel free to call the Village office.

Budget Billing Customers

New budget billing amounts will be calculated in January. Letters will be sent out with the new budget amounts.

Zoning Information Reminder

No building or structure or part of a building or structure shall be erected, constructed, reconstructed, replaced, moved or structurally altered without first obtaining a zoning permit. This permit may be obtained from the Fillmore County Zoning web site: <http://www.fillmorecounty.org/webpages/zoning/forms.htm>. For additional information, please contact Shaundee Graham, Fillmore County Zoning Administrator at (402)-759-4982. You may also contact Shaundee by e-mail at: Zoning@Fillmore.nacone.org. Thank you for complying with the zoning regulations.

If you experience a utility outage outside of normal business hours, call Utility Superintendent Mike Scheil at (402)-759-0466 (please send a text message if no answer) or Maintenance Tech Troy Sonnenfeld at (308) 850 9400 (please send a text message if no answer). If no one answers, please contact Trustee Don Moses at (402)-363-1141.
