

MINUTES OF THE MEETING

DECEMBER 7, 2023

FAIRMONT AGING SERVICES COMMITTEE

Board members present: Vice President Mary Seggerman, Secretary Marilyn Rehm, Delila Snodgrass. Absent was President Anna Yates. Our Director Shandra Reinsch is also present.

Vice President Mary Seggerman called the meeting to order at 5:00 pm. The open meeting sign is posted in the room. There are no visitors to the meeting so there is no open forum.

Vice President Mary asked Shandra how rentals are going with the holiday season here. She states she has a few. Delila makes a motion to accept the minutes as read. Secretary Marilyn seconds the motion. All voted Aye. Motion carried.

Schandra reported on the McCool school elementary concert at the Senior Center. She said it was very well liked and they may come back.

One thing was the piano was a bit out of tune. Vice President Mary made a motion to hire Jay Hubert to tune the piano. Secretary Marilyn seconded the motion. All voted Aye. Motion carried to get Jay Hubert to tune our piano.

Carol and Dwight Dirks joined the meeting. They were introduced to everyone.

Kathy Ekeler still needs to get her CPR class. The food classes are now available on-line, making it easier to take those classes.

Vice President Mary suggested that we give Shandra a recommendation to take with her to the board meeting Monday night for Dwight to be accepted as our new board member.

Notice that the park on main street has been decorated for Christmas. The tree that represents the Senior Center has donuts and coffee as decorations.

Shandra has been recertified with the Social Services for Aged and Disabled Adults.

Shandra plans a Potluck for December 5, Hot Chocolate Extravaganza December 12, Closed December 25, Birthday and Blood Pressure Clinic December 28. She is also hoping to get a birdseed craft project planned.

We don't need as much help delivering meals with Kathy helping. Shandra plans to send out a text the morning of a day in which she will need some help. She has also been giving more menus out to the public.

Due to some unfortunate circumstances lunch isn't always ready on time. With Kathy helping this should be fixed.

Our Town Board Member has been replaced by Rod Ehmen.

Game night has been going well. More times are being considered. Right now we are meeting from 6:30 to 8:30. We are considering adding 3:00 to 5:00 for those who do not want to be out at night. We are thinking about every other Monday or every first and third.

We have had some complaints about the water not tasting good. VP Mary suggested talking to our Village Clerk Karen to see what options we have.

The Old Business about the code of conduct was brought up. We are going to go with the former plan to put it in writing to protect others.

Our next meeting will be January 4 at 5:00 pm. VP Mary adjourned this meeting at 5:58 pm.

Secretary Marilyn Rehm
